### **Our Specialities our Pride SERVICES**

We are the most recommended and highly trusted education consultant and provides services for education and visa counseling to students seeking admissions in reputed institutions across the globe.

We offer wide range of services to our clients according to their desired demand.

students seeking admission abroad. The brief Description of services are given as under:

## **1 Career Counseling**

I have had the opportunity to meet career development professionals from overseas at conferences. We guide students to choose best career for their career development according to their interest and abilities.

## **2 Guidance for Desired Field of Study**

We discuss with students and their parents for his further studies and his interest for future study options and help the student to select proper course of study for him based on his academic record, Interest and experience.

## **3 Selection of Suitable Country**

**We guide students for selection of countries ,which countries suit according to their budget, course and interest. We discuss the education system , fee structure , ranking of their institutions, degree acceptance of each countries.**

## **4 Selection of Suitable Institute**

We help the student to select the suitable institution based on his financial budget and desired course . then we provide three institutions which best suitable for students so that student can choose one of them.

## **5 Admission Processing**

We process admission application and we guide our students about all the required documents and its attestation for admission process and arrange Acceptance Letter from relative institute with minimum period of time.

## **5 Visa File Preparation**

We provide comprehensive guideline to prepare file for all types of visa category . We have the latest information in visa related issues and we ensure our students are kept informed.

## **5 Fee Plan**

As the fee package is expensive and different in most of universities even in same country So we try to find some options of low fee structure with quality education and also manage tuition fee in easy installments.

## **6 Accommodation Assistance at destination**

**We provide assistance in finding accommodation in relative country against reasonable charges.  
We also arrange accommodation with reasonable charges by the institution at destination.**

### **8 Pre Departure Guidance**

We arrange a pre departure session for all international students after getting their visa. so that we can educate them about basic immigration rules, culture and weather conditions of relative country.

### **9 Post Arrival Guidance**

We arrange airport pick up service from representative of institution for students . We always remain in touch with our students to advise them for settlement in new environment.

### **10 Classes for IELTS, Basic English Spoken Courses.**

Proficiency in English language is required by most of institutions of every country. We have British Council Trained teachers to coach our students to get their required IELTS Band Score .The Dawn International is the member of British Council partnership programe .

### **11 Interview Preparation**

Most of students become confused during interview. We have arranged preparatory classes to get rid off hesitation with our trained and professional staff. and answer holding during interview for visa and admission purposes.

### **12 At the Spot Admission**

We invite representatives of different institutes from various countries so as to facilitate the students to get admission at the spot.
